

September 11, 2015

To whom it may concern,

It is with great pleasure that I provide this reference letter for Violet Organization. Violet has been working in partnership with World Vision International in Idlib governorate of Syria from February to August 2015. It was not just a transactional but a fully executed transformational partnership with elements of capacity building in WASH and Health sectors, support functions (finance, HR, supply chain management) and M&E.

In the framework of this partnership Violet has successfully implemented the following activities in Health, WASH and NFI sectors:

- Establishment of a primary health care facility in Samidoon IDP camp;
- Provision of ambulance services throughout A'edoon, Qadimoon and Samidoon camps;
- Construction of sewage disposal system in Samidoon and Qadimoon camps;
- Provision of solid waste collection services in A'edoon camp;
- Development and distribution of IEC materials on hygiene promotion in A'edoon, Qadimoon, and Samidoon camps;
- Distribution of NFIs in the camps;
- Provision of regular water supply, including installation of tanks throughout A'edoon camp.

Violet has proven to be a mature organization that has a potential of managing complex programs in mentioned sectors.

Sincerely,

Adam Sampiev
Acting Response Manager,
World Vision International
